Re: MUR 5684

Dear Ms. DeJarnett:

Abbe Lowell and I represent Citizen Change and other related respondents in the above Matter Under Review. I am writing to request an extension for our clients to respond to the complaint. Currently, we are actively working to understand how to best facilitate this matter, including meeting with representatives from the General Counsel's Office and preparing information most appropriate for this stage. In light of our efforts, as well as the holidays, we request a 30-day extension.

We appreciate your consideration of this matter. Should you have any questions or issues to discuss at any time, please do not hesitate to contact me.

Very truly yours,

Pamela J. Marple
